

## **CURRICULAR ASPECTS**

The college uses the autonomous status in right spirit by fostering new approaches in designing the curriculum by taking into account socio-economic, science and technological advancements.

The Academic council which includes a Professional expert, Industrialist and an Auditor along with the heads of all the departments approves all the activities related to curriculum design, development, updation and implementation. The curriculum enrichment policies are adopted as per the guidelines of UGC, Tamilnadu State Council for Higher Education (TANSICHE) and Bharathidasan University. The curriculum of every academic programme offered in the college is drafted and recommended by board of studies exclusively constituted for the programme with Subject experts, University nominee, an Alumnus of the department and all of its faculty members. One of the subject experts should be from any other University other than our affiliating university v.i.z., Bharathidasan university. Minutes are recorded and approved by Academic Council of the college which includes Principal, COE, and All heads of departments with nominated members of Industry, Medicine and Auditing arena. Due weightage is given to the opinions of various stake holders of higher education.
